Thanks for the information. I have evaluated the course description(s) from NTUST and the results are as follows (please save this email for your records): After reviewing your records you are eligible to transfer up to 9 credits post matriculation.

PSY 101 Introduction to Psychology, could transfer as LSOC-211 Gen Psych 3 credits

ECON 102 Principle of Macroeconomics, could transfer as LSOC-225 economics 3 credits

Classes are only transferrable if they meet the following criteria (it is the students' responsibility to ensure the classes meet these criteria):

Additional Steps for When You Are Ready to Send a Transcript

§ We require official transcripts for transfers to occur. For a transcript to be considered official it must either be mailed to Berklee directly from the college, handed to us in an unopened envelope that has been sealed and stamped by the other college, or sent as an e-transcript (electronic) directly to us from the other college.

§ International transcripts *must* first be sent to an education credentials evaluation service. The service will provide official English translations for non-English transcripts and an assessment of the grading/education system of the country from which the transcript originates.

For a complete list and explanation of all Transfer Credit policies, please refer to the Transfer Credit Services Guide found at berklee.edu/transfer-credit-services. Two of the most important criteria are:

§ The course must be a minimum of 3.0 semester-hour credits, or 4.5 quarter-hour credits. (Quarter-hour classes under 4.5 credits may be accepted in tandem in order to meet the minimum credit requirement.)

§ The course grade must meet the minimum letter grade requirement of C. (Pass/Fail grades are not accepted).

Please Note: According to Berklee's transfer credit policy, if your first semester at Berklee was fall 2009 or after, you are only allowed to transfer a total of 24 credits of Liberal Arts (this 24 credit cap does not include Music History courses and other GE's, or Berklee Online). Once you begin your attendance at Berklee, you will only be able to enroll in and transfer a maximum of 3 courses, even if those 3 courses do not bring you up to the 24-credit cap.

Please feel free to contact me with any questions or concerns.
