## 学校官网转学分政策：

### USEFUL INFORMATION FOR CURRENT STUDENTS

<http://www.eastern.edu/offices-centers/office-registrar/transfer-equivalency-guides>

Current Eastern University students are required to submit the Permission to Take Course Work Elsewhere Form to the Registrar's Office prior to enrolling in courses at another institution.

([http://www.eastern.edu/sites/default/files/sites/default/files/offices-centers/registrar/cas\\_permission\\_elswhere.pdf](http://www.eastern.edu/sites/default/files/sites/default/files/offices-centers/registrar/cas_permission_elswhere.pdf))

Approval of the Permission to Take Course Work Elsewhere Form guarantees that credits and grades earned at other institutions will be calculated into the student's Eastern GPA and that the courses will satisfy desired requirements or electives. For courses above the 100-level in your major, submit the form (link provided above) with course description(s) to the chair of your EU department first. The EU chair will evaluate your request. After the EU chair has reviewed the request, send the form to the Registrar's Office for final approval. For elective courses, general education requirements, or courses on the 100-level in your major, submit the form (link provided above) with course description(s) directly to the Registrar's Office. Please note: It is the student's responsibility to register at the other institution and pay all applicable tuition and fees. When the approved course(s) have been completed, request to have an official transcript from the other institution sent to the Registrar's Office.
