Course Equivalency Process

If you are participating on a Exchange or Affiliate program where you must choose what courses you want to take from the study abroad host university, you must complete the Study Abroad Exchange and Foreign Course Equivalency Form.

All foreign courses must first be given a JWU equivalent by an International Credentials Evaluator before a course may be counted towards a JWU degree credit or graduation requirement. If an equivalency has not been approved, foreign credits will be applied as "Unused Credits" on your Graduation Planning System (GPS) until the following steps have been completed.

After meeting with your Study Abroad Advisor to review Study Abroad program options and, if necessary, meeting with your Academic Counselor/Advisor to ensure you understand your degree and overall academic planning, once you are accepted into an Exchange or an Affiliate Provider program, follow these steps:

Step 1: Electronically complete the form using the following resources:

Study Abroad Website: Courses available at host institution, including existing JWU equivalencies

JWU Academic Resources: Grad Planning System, Course Projections

Step 2: Submit form electronically via email to Providence Study Abroad Advisor.

A weblink or electronic course description and/or complete syllabus must be submitted with this form for each of the foreign courses not listed on the JWU program brochure.

Step 3: Providence Study Abroad forwards the completed form and support documents to the Providence International Credentials Evaluator.

Step 4: The International Credentials Evaluator approves/denies requests and returns the form to Providence Study Abroad.

Step 5: Providence Study Abroad uploads the form with the approvals/denials to your Study ABroad on-line account and will email you with next steps.

Step 6: Meet with your Academic Counselor/Advisor to review the Approved Course Equivalency form located in your study abroad account. Your Academic Counselor/Advisor will make notes in your degree audit related to the approved equivalencies.

Step 7: If all steps are not completed, courses from the host university will be applied to "Unused Credit" on your GPS.

All forms must be typed; any handwritten forms will not be accepted.
