DEADLINES: The deadlines for submitting your application via this portal—regardless of the deadline set by the host institution or third-party provider through which you are applying—are Friday, Sept. 16 2016 for spring semester 2017, and Friday, Feb. 10 2017 for fall semester 2017 and 2017-18 yearlong programs.

WHAT TO DO BEFORE YOU APPLY:

- Attend one of the mandatory “Study Abroad Get Started” sessions, which are offered on a regular basis throughout the academic year (and almost daily during the weeks leading to a major deadline). Please look out for exact dates/times on the website calendar on the right hand side of this page.
- Meet with your academic adviser to discuss your plans; make sure you know what requirements you must fulfill for both the Common Course of Study and your major(s), and how you will have to arrange your courses at home and abroad to meet these requirements.
- Make an appointment with a study abroad advisor to discuss program options and learn about the College’s policies and procedures related to study abroad. You may schedule your appointment by clicking on the "Staff" tab at the top of this page, then clicking on the name of the staff member who has available appointments. This will prompt you to see their availability, and you can then "block" a 30-minute time slot with the advisor.
- Once you have selected the program(s) which you intend to apply to, fill out the application forms via this portal (for detailed tips on HOW TO USE THE APPLICATION PORTAL).

WHAT TO GATHER IN ORDER TO APPLY:

- Many programs require letters of recommendation from faculty members. Be sure to request these letters at least two weeks in advance. It is also helpful to provide them with a list of the courses you have taken with them and a representative sample of your work, such as a final paper.
- All programs require to see your official Lafayette transcripts. Transcripts are obtainable from the Registrar’s Office in Markle Hall and can be snail mailed or emailed by the Registrar directly to the host institution. They can now be requested via Banner and sent to the program of your choice via certified email for a \$5.00 fee (which will be charged to your student account).
- As part of your application with a third-party provider, be prepared to pay an application fee. Fees may vary from program to program (and some programs waive them when they want to increase student interest). When required, such fees are typically payable online.
- Most applications will ask you to verify that you have a valid passport. If you already have a passport, make sure it is valid for at least six months after the end date of your abroad program. If you need to apply for or renew your passport, do so immediately. Official passport photos are available at CVS Pharmacy or Walgreens, both of which are located on Sullivan Trail Rd. (en route to Metzgar Fields). You will need to take your completed passport application forms, an additional government-issued ID (a driver’s license works well), and your payment to:
 - the Prothonotary’s Office of the Northampton County Courthouse (669 Washington St., Easton, 610-559-3060) during business hours or
 - the U.S. Post Office (201 Ferry St., Easton, by appointment only, 610-253-4151 to schedule).

- Some programs may require additional sets of passport-sized photos with the application—these may be obtained at CVS or Walgreens, AAA, JCPenny and the like.

ONCE YOU ARE ACCEPTED:

- Pay the required deposit (usually ranging from \$300–\$600, or more if intensive international travel is involved) directly to the program, and report that information on the relevant portal questionnaire. The charge will subsequently be deducted from your Lafayette College semester bill. For more information regarding financial questions.
- Everyone going abroad will have to sign a Waiver of Responsibility and submit an Affiliated Off-Campus/Study Abroad Authorization Petition (aka course approval form) through the portal.
- Students going on Lafayette faculty-led programs (Bremen and Madrid engineering programs, Goldsmiths, London and Universidad Veritas, Costa Rica programs) must fill out the appropriate Medical Forms via the portal.
- The program provider or host institution will inform you of the procedure for obtaining a student visa, if required; this process may be complicated and time consuming. Be aware that U.S. citizens and non-U.S. students may have different entry requirements. If you need to be fingerprinted for your visa application, the Office of Public Safety at Lafayette will provide this service; for details, please contact Public Safety directly located in Marquis Hall.
- If you have questions regarding financial aid, contact the Office of Financial Aid at ext. 5055 or financialaid@lafayette.edu.
- If the program requires you to make your own travel arrangements, do so with as much lead time as possible to get the lowest fares.
