

Mount Holyoke College 转学分指导

转学分信息：

1. 成绩达 C-或者 C-以上可以转学分，并不计入 GPA。
2. Mount Holyoke 接受 liberal arts courses 学分，例如：humanities, sciences, and social sciences 等方面基础课程学分。
3. 可以打电话 413-538-2072 预约 Donna Van Handle, Dean of International Students (who advises about Asia, Africa, and the Middle East)讨论 study abroad 事宜。

5 步转学分流程：

Step1 登陆官网 www.auiaschool.com 查看需要上的 AUIA 课程，下载课程描述及课程大纲。

Step2 发邮件或者面对面告知 Advisor 有上暑课的意向，将 AUIA 的课程描述及课程大纲给 Advisor 评估可以上哪些课程。如果学生需要满足 major, minor 专业特殊需要，需要下载并打印 permission from (<https://www.mtholyoke.edu/sites/default/files/registrar/docs/permission.pdf>)找到相对应的 department 确认签字。

Step3 得到 Advisor 签字确认的 permission from，交回 Registrar's Office 并复印一份自己保存好。

Step4 暑假去 AUIA 国际暑期学校上课，成绩达到 C-或者 C-以上。

Step5 课程结束后，成绩单会从 AUIA 举办暑期课程的大学直接寄送到 Registrar's Office。

学校官网转学分政策 :

Credit Transfer

https://www.mtholyoke.edu/global/study_abroad/app_credit_transfer

Provided that you satisfactorily complete your approved program of study, you will automatically receive elective credit toward the 128 credits required for graduation. You must earn grades of C- or better (or the equivalent). You may use courses taken abroad to fulfill specific requirements (major, minor, distribution, etc.) with the permission of the appropriate department here. Bring your work (reading lists, syllabi, papers) back with you in case there are questions about the content or level of a course.

Courses abroad are sometimes mistakenly characterized as "pass/fail" because only the courses and credits, not the grades, generally will appear on your Mount Holyoke transcript, and the grades are not factored into your GPA. However, you will receive grades for your work, and you must earn grades of C- or better for credit to transfer; for this reason, you may not elect to take a course ungraded. Remember that you may need to submit a transcript, with grades, from your program abroad when you apply for graduate study, fellowships, employment, etc.

The Registrar's Office evaluates transcripts and posts credits; see Transfer and Advance Placement Credit for details. Note in particular:

- Mount Holyoke awards credit primarily for liberal arts courses, meaning courses of the sort that we teach (humanities, sciences, and social sciences). Credit for non-liberal arts courses (for example, in business, design, etc.) is limited, and should always be approved in advance by the Registrar's Office.
- Liberal arts courses transfer automatically as elective credit and do not require specific approval, with the exception of Computer Science and Music. Each course in CS or Music must be approved in advance by the respective department even if you are not seeking to use the course to fulfill a specific requirement. No credit will be awarded for music performance studies.
- You must register for the normal full-time courseload (not the minimum courseload) for your program

(as defined by Mount Holyoke). Successful completion of the normal full-time course load will transfer as 16 credits for a semester, or 32 credits for a year.

- The normal full-time course load varies significantly, typically ranging from two to seven courses per semester. Most US programs define the standard semester load as 15 or 16 credits; most European universities define it as 30 ECTS credits; some UK universities define it as 60 credits. Check with the Registrar's Office or the McCulloch Center if you are uncertain about what constitutes a full load for your program.
- You may not earn more than a full semester (16) or year (32) of credit while studying abroad, but you will earn less if you complete less than the standard course load.
- Mount Holyoke does not give credit for orientation sessions, internships, pass/fail courses, or independent study or research, even if the program awards credit for them.
- Mount Holyoke does grant academic credit for pre-approved courses that have an embedded internship or other experiential learning component; consult the list of approved courses in advance.
- Your program or host university should send an official transcript directly to the Registrar's Office. If the transcript is sent to you, the Registrar's Office can accept it only if you submit it in its original sealed envelope. Know how to obtain additional copies, as MHC cannot release copies of the one sent to us.
