Will the courses I take abroad transfer back to UMass Lowell?

<https://www.uml.edu/international-programs/FAQ.aspx#answer1>

Yes, pending pre-authorization. There is a process to pre-approve the courses that you plan to take for transfer of credits back to UMass Lowell. You must file paperwork with the study abroad advisor to get your coursework approved prior to your departure. Your grade must be a grade of C- or better in order to receive credit for the course.* You may not take courses as Pass/Fail for credit. In the event you need to change a course once you have arrived at the host institution, you should contact the study abroad advisor to help you with the petition process before the start of your semester. Otherwise, the coursework would have to be evaluated upon your return.

How many classes can I take while I am on study abroad?

During fall and spring semester programs, students must maintain full-time status at an accredited academic institution while on the study away program. Students typically take four to five classes per semester, just like they do at UMass Lowell. Students who participate in short-term programs in the winter or summer take one to two courses.
