

University of Florida 转学分指导

声明：

暑校课程审核已经开始，校园大使总结了审核课程的信息供大家参考，实际审核流程可能会因学院不同略有变化，请大家尽早审核课程，以免错过暑校申报时间。同学有最终的责任确认转学分政策，完成转学分流程。AUIA 只负责课程推广和学生活动等服务性工作，暑期课程教学及成绩单管理工作均由主办大学负责。因此，递交课程审核如需说明暑校名称，请按校区说明申请的是 xx 大学国际暑期学校，如国立台湾科技大学暑期学校等。

6 步转学分流程：

Step1 登陆官网 www.auiaschool.com 查看需要上的 AUIA 课程，下载课程描述及课程大纲。

Step2 到 international center 或邮件预约负责亚洲部门的 advisor

(https://www.abroad.ufic.ufl.edu/index.cfm?FuseAction=StaffMain.StaffDetails&Staff_ID=23078)说明想

参加 summer study abroad in Taiwan/China/Korea，前台老师会说明一下整个审核流程，并给一个 application form

Step3 根据要上的课，找到相应部门的 undergraduate department 负责老师，提前发邮件说明情况，并附上 syllabus，大部分老师会直接回复 office hour，带着 syllabus 去签字就可以。个别老师不回复，可以直接去 department 找。

Step4 拿到课程的签字以后，把表格交回到 international center 的前台。

*商学院需要额外网上申请，在自己的学校 account 里会显示一个 check list（网上申请，学校会收取 application fee，见附件）。

Office Tel : +86 (021) 3536-6018

Wechat Student Service:auiasummerprogram

Step5 暑假去 AUIA 国际暑期学校上课，成绩达 C 或者 C 以上可以转学分。

Step6 课程结束后，成绩单会从 AUIA 举办暑期课程的大学直接寄送到 International Center。

学校官网转学分政策：

Non-UF Programs

<https://www.ufic.ufl.edu/sas/TypesofProgramsNonUF.html>

While the University of Florida strives to provide programs to meet students' needs and interest, students may find programs of greater interest or purpose. The International Center will work with the Office of the University Registrar to assure credits from these programs will be accepted at UF. These programs are separated into three main categories that are largely categorized as Non-UF Programs and are listed below. Affiliated Programs - The University of Florida has affiliations with selected program providers so credits approved by your academic advisor will transfer upon receipt of your transcript. Credits from these programs will always transfer back to UF, even though you will have to check with your advisor whether the credits will go toward your degree. Below is a list of our affiliated partners:

American Institute for Foreign Study (AIFS)
Academic Programs International (API)
Academic Studies Abroad (ASA)
CISabroad
Council on International Educational Exchange (CIEE)
International Education of Students (IES)
International Studies Abroad (ISA)
Study Abroad Italy (SAI)
The Education Abroad Network (TEAN)
University Studies Abroad Consortium (USAC)

Other U.S. Universities - Many U.S. universities and colleges have successful study abroad programs that meet the needs and interests of our students. These programs will be listed in our database with the name of the institution followed by the location or name of the program.

Direct Enroll - Sometimes students choose to attend a university overseas with which UF does not have a

YANGPU, SHANGHAI, CHINA

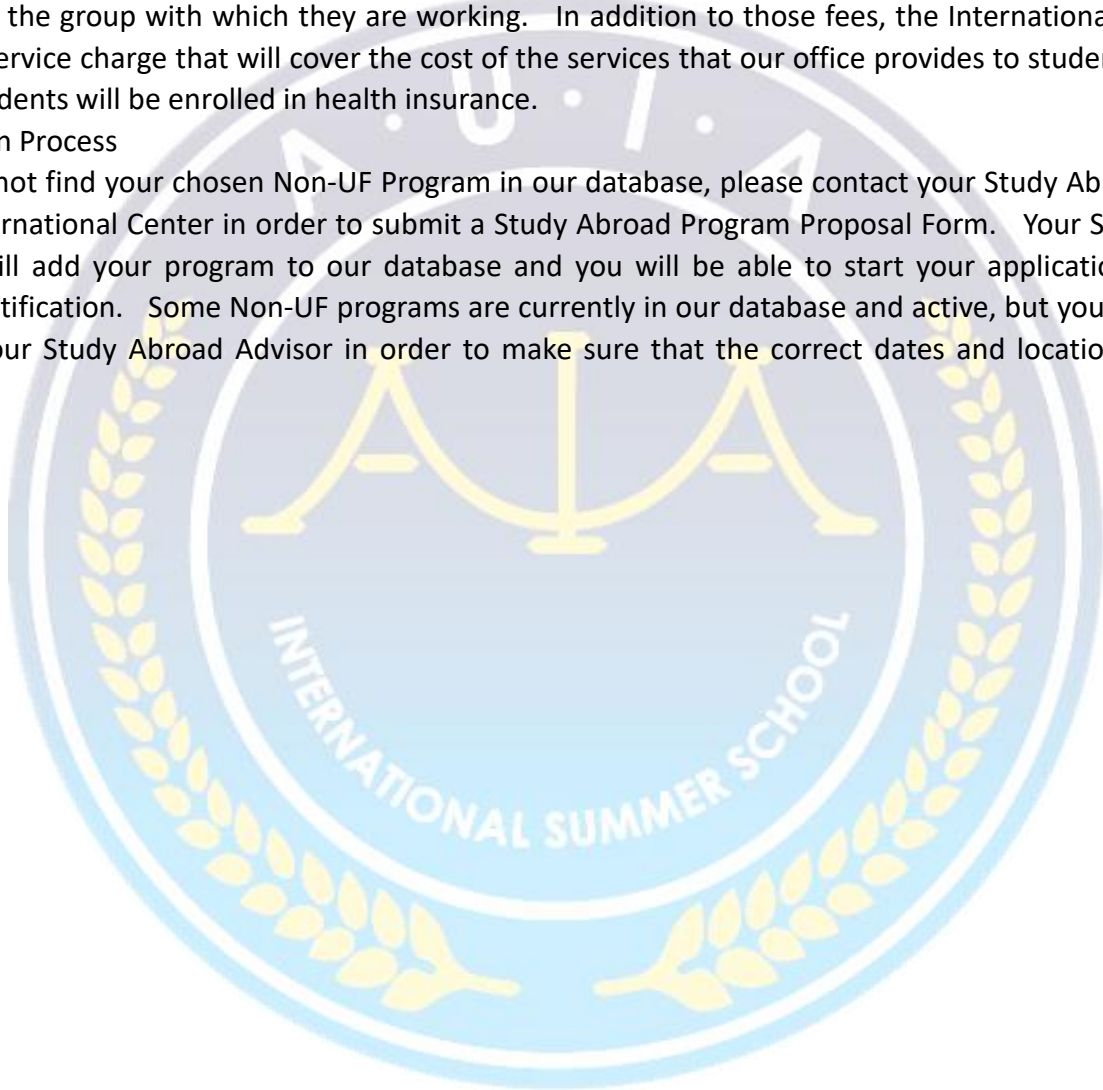

tuition exchange agreement. The International Center will work with the Office of the University Registrar to ensure that you will be able to receive an accredited transcript from your semester overseas.

Independent Program Providers - These organizations specialize in providing study abroad programs to students. In most cases, these organizations facilitate a direct enroll option for students to universities overseas and provide administrative support in coordinating tuition, accommodation, excursions, as well as providing on-site support once the program has started.

Students participating in Non-UF Programs will be required to coordinate payment of their program fees directly to the group with which they are working. In addition to those fees, the International Center will collect a service charge that will cover the cost of the services that our office provides to students. Effective fall, all students will be enrolled in health insurance.

Application Process

If you cannot find your chosen Non-UF Program in our database, please contact your Study Abroad Advisor in the International Center in order to submit a Study Abroad Program Proposal Form. Your Study Abroad Advisor will add your program to our database and you will be able to start your application once you receive notification. Some Non-UF programs are currently in our database and active, but you will need to contact your Study Abroad Advisor in order to make sure that the correct dates and location are in our system.
