If transcripts are in a foreign language, you will need to obtain a certified translation. Please allow appropriate time for processing final transfer of earned credits to UGA. Depending on the release of the transcript from the host university and/or sponsoring program, you might experience a delay of posting earned credit to their UGA academic record. Transcript delays could prevent the release of future financial aid and/or a request of financial aid received for credits taken abroad. You should familiarize yourself with your program's timeline and procedures for releasing the transcript.
