

University of Miami 转学分指导

转学分信息：

1. UM 的学生在参加 non-UM programs 必须填写 Non-UM Programs Application form ,并请 Study Abroad office 的 Advisor 签字确认。这能确保学生选择的 non-UM program 是被 UM 所接受的。
2. UM 的学生在 program 确认后，还需要找对应的 UM academic department 的 Advisor 进行课程方面的单独确认。
3. 官方成绩单必须从暑课所在机构直接寄送到 University of Miami, Admission.

9 步转学流程：

Step1 所有学生必须下载并填写 Non-UM Program form。

(https://umshare.miami.edu/web/wda/cstudiesieep/www/documents/paper_forms/non-UM%20Programs%20Forms/NonUM.pdf)

Step2 根据 Non-UM Program form 中对项目的分类，AUIA 属于“foreign program”，即项目在美国以外而且成绩单由非美国的机构出具。完成 Non-UM Program form 第 3 页全部和第 6 页的 part II 和 part III。

Step3 将 Non-UM Program form 带到 study abroad office 约见一个 Advisor 签字,证明 AUIA 上暑课所在的大学是一个受国际或地区认证的机构。

Campus Location:Rhodes House (Building 37), Suite F,1204 Dickinson Drive,Coral Gables, FL 33146. Office Hours: 8:30am - 5:00pm Monday - Friday

Advisor:Jeff Jenkins, Assistant Director. Email:jjenkins@miami.edu Advising areas:Asia.

Step4 根据 Non-UM Program form 第 4 页上的说明填写第 4 和第 5 页。

Step5 打印 AUIA 官网上的课程描述及大纲和对应 UM 课程大纲，与 Non-UM Program form 一起拿到每门课的所属部门的 Advisor 处签字确认学分可转换。

Step6 将签字确认的表格交到 Academic Dean' s office。

Step7 暑假去 AUIA 国际暑期学校上课，成绩达到 C 或者 C 以上。

Step8 课程结束后，成绩单会从 AUIA 举办暑期课程的大学直接寄送到 University of Miami Admission 。

Step9 大概 4-6 周左右时间可以登陆学校系统查看学分是否转入成功；如有问题，请及时联系学校相关部门。

We (the SAP office) provide students with advising regarding UM programs as we have established relationships with the universities and providers that run our programs.

We (the SAP office) generally don't advise students about non-UM programs as we have no specialized information about the numerous non-UM programs available to students. For suggestions on how to plan for Non-UM programs, please visit our website at www.miami.edu/studyabroad. Click on Programs and then, click on Non-UM programs for a full description of the process which includes:

1. Download the Non-UM Programs Application form. The form is available at:

http://www.miami.edu/index.php/study_abroad/programs/non-um_programs/

2. Submit a completed Non-UM Programs Application form to the Study Abroad office.

3. The Study Abroad office will review your submission and conduct research to determine if the university

is accredited in the U.S.

4. If the university is accredited, the Study Abroad office will sign off on the appropriate page in your NonUM Programs Application and return it to you.
5. You would then contact your non-UM program and proceed with their enrollment process as our office will no longer be involved in your study abroad process.
6. If you need additional clarification regarding your return to UM after your non-UM program abroad, please speak to your academic advisor.

TRANSFER CREDIT

The criterion that is used to determine if you would receive transfer credit for a non-UM program is based around the program or university's accreditation. As stated above, the Study Abroad office checks accreditation for you. How the courses would apply to your major will be determined by your advisor, and what course the course abroad replaces is determined by each respective UM academic department.

DEADLINE

The 'deadline' to submit a Non-UM Program form is the last day to drop without a "W" for the term that you plan to study abroad. Studying On a Non-UM Program: Suggested Steps

1. Research program options. There are hundreds of programs, so make sure to look only at those that offer credit through an accredited university. You may wish to consult the following websites; however, not every program on these websites will be through an accredited university! www.studyabroad.com
www.iiepassport.org www.goabroad.com
2. Complete the Studying through a Non-UM Program form (https://umshare.miami.edu/web/wda/cstudiesieep/www/documents/paper_forms/non-UM%20Program%20Forms/NonUM.pdf)
3. Visit the UM study abroad office to get your program approved. Make sure to bring information about the host university so that we can determine if the university is accredited. After a study abroad advisor determines that the program is approved, he or she will sign your Non-UM Program form.
4. Meet with your academic advisor to discuss your study abroad plans. Make sure that the study abroad classes fit into your curriculum of study at UM.
5. Apply to your program after you know that the program is approved.
6. Get your courses approved. You must visit the department of each course for which you seek a UM equivalency.
7. Turn in your Non-UM Program form to the Academic Dean's office for your school or college. Your school or college may require additional forms. If your proposed study abroad program falls within the last
